Vineyards

Sauvignon Blanc is sourced from Sileni's Marlborough vineyards with a range of soil types including gravels, silt and clay loam. The different characteristics of these sites provide depth and complexity of flavour in the wines.

Winemaking Notes

Cool fermented in stainless steel with a range of yeast types to retain the aromatic fruit characters, this wine is bottled young to preserve the fresh, vibrant style.

SILENI NANO

Our super premium range for everyday drinking. The Sileni NANO range is based on rich, soft and approachable hand-crafted wines.

Tasting Notes

The Sileni NANO Sauvignon Blanc has ripe tropical and gooseberry fruit flavours with a zingy finish and impeccable balance. A great aperitif or seafood wine made for drinking young. Recommended serving temperature 6-8°C.

Food Match

Seafood and Asian cuisine, or drink as an aperitif with friends.
